Dear GWS Member:

2007 Wine Tasting Program

A great tasting program is being planned for next year. We will taste outstanding wines from top producers, including many wines that are not readily obtainable. The schedule and tasting themes designed to appeal to the German wine enthusiast will reflect member preferences based on the survey described below. Watch for exciting news of new events and venues in upcoming editions of the GWS Chapter Newsletter.

Dues for Next Year

The GWS is a non-profit organization which depends on your dues and tasting fees to cover operating expenses, such wine purchases, catering, and venue. Dues for 2007 will remain unchanged at \$70 and are payable now. By renewing your membership you are helping us to continue offering tastings of these wonderful wines. Please send checks to Laura Gregory at the address below.

Refer a New Member; Win a Bottle

The chapter encourages members to introduce the GWS to potentially interested friends and associates. A good way to do this is to invite guests to a tasting; first-time guests may attend events at the reduced member rate. A GWS brochure on the GWS and German wines is available and other information, including complete tasting schedules, may be found on our website: www.gws-sf.org.

As a special reward for referring new members, chapter members will receive a bottle of German wine from our cellar for new member they have introduced!
